### **Where: Hanson High School Gym**

The Hanson School District will be holding a Back to School open house for students and parents. All PK-12 parents and students attending Hanson School District are encouraged to attend this event to insure that students will begin the 2017-2018 school year with everything they need for a successful learning environment. Elementary students should bring their school supplies and will have time to unpack them while middle school and high school students and parents will receive class schedules, locker access, and fulfill requirements necessary for students to receive laptops for the 2017-2018 school year. There will not be a laptop user fee this year for students in grades 6-12 but paperwork needs to be signed and any existing fines must be paid before laptops will be issued. Activity tickets will also be available for purchase, lunch payments will be accepted, and contact information for families can be updated as well.
